ALTITUDE SERIES

GRÜNER VELTLINER

VINTAGE 2020

VINTAGE

The 2020 growing season started off being quite warm to start off with and then developed into a typical mild day and cool night pattern in the all important last two months of the growing season.

WINEMAKING

The fruit was picked in the cool of the night before being swiftly destemmed and crushed. The juice was then fined and clarified before being fermented with a known strain of yeast. The wine then filtered and bottled to capture and preserve the natural aromas.
