SAUVIGNON BLANC

VINTAGE 2021

VINTAGE

The 2021 growing season was very mild and dry throughout, allowing the fruit to ripen slowly to its full potential.

WINEMAKING

The fruit selected for this wine came from cooler parts of the region in the higher altitudes. The parcels were picked at ultimate ripeness. The clarified juice was fermented cool in stainless steel tanks to retain its fruity aromas. The resulting wines were then blended and stabilised before bottling.

PALATE
